Limited Warranty: One (1) year warranty on parts and labor and Five (5) years compressor warranty from invoice date. (unless otherwise specified)

Bison Refrigeration warrants to the original purchaser of Bison Refrigeration refrigeration branded products, including all parts thereof, that such product is free from defects in material and workmanship, under normal and proper use and maintenance service as specified by Bison Refrigeration and upon proper installation (indoor building only) and start-up in accordance with Bison Refrigeration installation and operations instructions, for a period of one (1) year from the date of invoice (unless otherwise specified). For the purpose of this warranty, the original purchaser shall be deemed to mean the individual or company for whom the product was originally installed.

Our obligation under this warranty should be limited to repairing or replacing, including labor, any part of such product which proves thus defective. Bison Refrigeration reserves the right to examine any product claimed to be defective. If after review the product is not deemed defective. Bison Refrigeration reserves the right to deny payment for repair and labor. The labor warranty shall be self-contained units only and for standard straight time, which is defined as normal service rate time, for service performed during normal working hours. Any service requested outside of a servicer's normal working hours will be covered under this warranty at the normal rate and any additional overtime rate will be responsibility of the equipment purchaser.

Any part determined to be defective and requested to be returned should be returned to the company within thirty (30) days under the terms of this warranty and must be accompanied by a record of the cabinet model, serial number and identified with a return authorization number issued by Bison Refrigeration.

Installation in unstable, mobile and enclosed area will not be considered proper installation. Bison Refrigeration assumes no liability for parts or labor coverage for component failure, factory defect or any other damages for units installed in non-commercial foodservice, mobile or residential applications.

Improper operation resulting from factors, including but not limited to, low/high voltage conditions, inadequate wiring, and accidental damage are not manufacturing defects and are strictly the responsibility of the purchaser.

Condenser coils must be cleaned at regular intervals. Failure to do so can cause compressor malfunction and will void the warranty. Although cleaning requirement may vary in accordance with the operation of various products, we recommend a minimum monthly cleaning.

This warranty is not transferable from original purchaser.

NO CLAIMS CAN BE MADE AGAINST THIS WARRANTY FOR SPOILAGE OF PRODUCTS, LOSS OF SALES OR CONSEQUENTIAL DAMAGES.

This warranty shall not assignable and shall be honored only in so far as the original purchaser. This warranty does not apply outside the limits of the United States of America, nor does it apply to any part which has been subject to misuse, neglect, alteration, accident, flood, fire, electrical voltage spikes, acts of terrorism or acts of God.

Limitation of Liability

Bison Refrigeration Corporation or their affiliates shall not be liable for any indirect, incidental, special or consequential damages, or losses of a commercial nature arising out of malfunctioning equipment or its parts or components thereof, as a result of defects in material or workmanship.

Unfortunately, Bison Refrigeration products are sometimes sold by companies that are not authorized to do so. Goods sold by these unauthorized companies are not purchased from Bison Refrigeration; instead they are acquired from a host of other sources. Due to the nature of the goods sold by unauthorized dealers and their business practices, products sold by unauthorized dealers are not entitled to Bison Refrigeration warranty coverage. We are using our best efforts (including this warning) to prohibit these companies from taking advantage of consumers, but these practices still exist. We urge you to use diligence when selecting a dealer to make your purchase.

This warranty applies only to units shipped from manufacturer before 10/01/2018
